Our Mission:

- **Operational Excellence:** By partnering with top-tier bodyshops, we ensure that every repair meets the highest standards of quality and safety. Our approved bodyshops are committed to providing outstanding service, ensuring that customers receive the best possible care and attention.
- **Promote Innovation:** We support our bodyshops with the latest in refinishing technology and products, including our cutting-edge AquaMax® Extra range, which offers unparalleled colour capability, and PPG LINQ® that delivers an end-to-end Digital Ecosystem.
- **Drive Success:** Together, EBP members and PPG will drive success! The network consisting of top-performers will enable insights and intelligence to stay ahead of industry trends. With these resources and support, we're not just meeting expectations—we're setting new standards for success in our market.

We make your job easier.
